No. P.11(33)/DSTE/CC/PL-I/461-73

Dated the 29<sup>th</sup> January 2014

MEMORANDUM - 07

Subject: Checking noise pollution.

Attention of all concerned is hereby drawn to the provisions of the Noise Pollution (Regulation and Control) Rules, 2000 framed under the Environment (Protection) Act, 1986 as well as provisions of the Central Motor Vehicles Act, 1989, as applied to Tripura. The High Court of Tripura in Writ Petition (C) (PIL) 03 of 2013 has issued certain directions on the 20<sup>th</sup> January 2014 (copy enclosed). In compliance with the said directions, following action shall be taken by all concerned for checking noise pollution:

1. Action by Police

(i) The Sub-Divisional Police Officer (SDPO) of the Subdivision shall be designated 'authority' as per Rule 2(c) of the Noise Pollution (Regulation and Control) Rules, 2000. Persons requiring use of loud speaker shall have to submit application under the prescribed format to the SDPO of the concerned area at least seven days before the date of use. The SDPO, on receipt of the said application, shall undertake enquiry, as deemed necessary, and give permission indicating the conditions to be complied with and copy of the same shall be endorsed to the SDM concerned. The permission may also be refused, if deemed necessary, indicating the reasons thereof. The SDPO, with help of officer-in-charge of the Police Station, shall take necessary action for ensuring that the directions indicated above are complied with and in the event of any violation, appropriate action shall be taken as per provisions of the relevant Act and Rules and the directions issued by the Hon'ble High Court.

[Noise Pollution]

Submt.

(iv) The peripheral noise level of a privately owned sound system or a sound producing instrument shall not, at the boundary of the private place, exceed by more than 5 dB(A) the ambient noise standards specified for the area in which it is used.

(v) Required equipment for measuring intensity of sound shall be made available to the SDPOs.

(vi) Due care shall be taken for ensuring that the rules are obeyed in a graceful and civil manner as far as feasible and only in case of resistance by the violators, punitive action is to be taken.

## II. Action by other departments

(i) The horns or other sound producing device on vehicles should comply with Rule 119 of the Motor Vehicles Rules. No vehicle with sound boxes should be permitted to ply. Requirement for complying with these should be indicated in the licence and looked into while issuing and renewing licence. While appropriate legal action may be taken for the first offence committed by the driver/vehicle, in case the offence happening for the second time, route permit, wherever applicable, of such vehicle/driver shall be cancelled and the sound box seized. (Action by Transport Department)

(ii) Awareness regarding noise pollution should be generated among students, youth, enforcement agencies, civil society. For the purpose, wide publicity should be given to these in print and electronic media. (Action by ST&E/School Education/ICA Departments)

(iii) Tripura State Pollution Control Board (TSPCB) shall organize capacity building on necessary technical guidance to concerned officials. The Board shall also keep general watch for maintaining ambient air quality standards for sound levels in different zones.

(iv) All development authorities, local bodies and other concerned authorities, while planning development activity or carrying out functions relating to town and country planning, shall give due consideration to checking noise pollution as a parameter of quality of life to avoid noise menace and to achieve the objective of maintaining the ambient air quality standards in respect of noise. (Action by UD, PW Departments)
